

**File No. 10-1/2023-NSWS Portal (382947)**

Government of India.  
Ministry of Consumer Affairs, Food and PD  
Department of Food and PD  
Directorate of Sugar & Vegetable Oils

KrishiBhawan, New Delhi-110001

Dated the 23<sup>rd</sup> Sept., 2024

To,

The MDs/CEOs  
All sugar mills

**Subject :- API integration on National Single Window System (NSWS).**

Madam/Sir

As you are aware that Directorate of Sugar and Vegetable Oils has successfully migrated its operations to the NSWS portal to achieve complete and integrated digitization of the sugar and ethanol industry. Now, to ensure real-time data availability, data accuracy, and the elimination of redundant data, the Government of India has initiated the process of integrating the ERP/SAP systems of sugar mills with the NSWS portal through APIs.

2. All the sugar mills were directed to develop their module for API integration as per the API document shared by the NSWS team. A series of meetings were held and the importance of API integration was emphasized and it was underscored that this task must be completed within a strict 100-day agenda. During these meetings, the issues faced by the sugar mills while testing their API module, were resolved.

3. Various Group Sugar Mills as well as individual sugar mills have developed their API module and about 100 sugar mills are in advanced stage of integration which is expected to be completed by the end of September-2024. Some of them have completed all the mandatory testing and ready to push monthly P-II for Sept.-2024 through API.

4. On the other side, it has been observed that some of the sugar mills have not started the development of their API module so far which is a matter of concern. This delay on the part of some sugar mills may affect the above said API integration in time bound manner.

5. In light of the above, you are directed to develop API module for your sugar mills and complete the entire process of integration in a time bound manner. For ready reference, Revised API document, Updated Validation sheet, Sample CURL-P2 API, steps to be taken for integration, are annexed. All are requested to feel free to raise your issue, if any, through email on [sostat.dsvo@gov.in](mailto:sostat.dsvo@gov.in) and 011-23382373.

*Yours faithfully,*

*Sunil Kumar Swarnkar*  
23/9/24

(Sunil Kumar Swarnkar)

Under Secretary to the Government of India
