File No. 10-1/2023-NSWS Portal (382947)
Government of India.
Ministry of Consumer Affairs, Food and PD
Department of Food and PD
Directorate of Sugar & Vegetable Oils

Krishi Bhawan, New Delhi-110001
Dated: the 23rd October, 2024

To,

The CEO/CMD/MD,
All Sugar Mills

Subject :- API integration on National Single Window System (NSWS).

I am directed to refer to this Directorate's letter dated 23.09.2024, on the above cited subject and to inform you that the Directorate of Sugar and Vegetable Oils has make a step forward towards strengthening the 'Digital India' Initiative through API integration of ERP/SAP systems of sugar mills with the NSWS portal. This integration will ensure real-time data availability, accuracy and elimination of data redundancy.

2 . 60 sugar mills, including group sugar mills of 11 groups, have successfully integrated their data systems with NSWS portal and submitted their P-II return for September-2024 through API. Further, about 200 more sugar mills/group sugar mills are developing their API modules and most of these are testing their module in UAT and Pre-Production Environment (PPE) and may complete the testing by the end of October, 2024.

3. However, remaining sugar mills have not provided any information about the development of the API module, which is in violation of directions issued by this Directorate under the provisions of Sugar (Control) Order, 1966. Therefore, all sugar mills are directed to update the status of API integration with NSWS portal through NIC *e-form* available on the following link:-

https://nicforms.nic.in/nicforms_designer/nic_form_selector.php?
form_id=enRhYmxlNjcxNzcxYmYzYjExZDIwMjQxMDIyNA==

4. Also, following timelines for completion of the above said API integration with NSWS portal has been decided and circulated for adherence by the sugar mills :-

(i) Sugar mills having ERP/SAP or other similar softwares must complete their API integration by 20.11.2024 and submit their P-II for October-2024 through API only.
(ii) Sugar mills operating without any software or with Tally/Excel should procure ERP/SAP or similar software and must complete their API

integration by 31.12.2024 and submit their P-II for November-2024 through API.

5.   Keeping in view of the above, all the sugar mills are hereby directed to complete their API integration and adhere the above timelines, failing which the monthly release quota of sugar from January-2025 onwards shall not be allocated to the non-compliant sugar mills, under the powers conferred in Sugar (Control) Order, 1966 read with Section 3 of Essential Commodities Act, 1955.

6.   In case of any issue/query, feel free to reach us through email sostat.dsvo@gov.in and 011-23382373.

Yours faithfully,

(Sunil Kumar Swarnkar) 23/10/24
Under Secretary to the Government of India
