Government of India.

Ministry of Consumer Affairs, Food and PD

Department of Food and PD

Directorate of Sugar & Vegetable Oils

Krishi Bhawan, New Delhi-110001

Dated: the 11th Decemo, 2024

To,

The CEO/CMD/MD,
Sugar Mills (list attached)

Subject :- Sharing of data through API on National Single Window System (NSWS).

Madam/Sir,

I am directed to refer to this Directorate's letters dated 23.10.2024 and 23.09.2024, on the above cited subject and to say that as per the available data, only 319 sugar mills, including sugar mills of 45 groups, are currently working on the development of APIs for sharing monthly P-II data. Despite clear instructions, approximately 240 sugar mills (list attached) have not made any progress in this regard.

2. The Directorate of Sugar and Vegetable Oils continues its efforts to strengthen the 'Digital India' initiative by enabling the sharing of monthly P-II data through APIs on the NSWS portal. As on date, 59 sugar mills, including sugar mills of 11 group, have successfully shared their September-2024 P-II data via APIs. Additionally, 70 more mills are ready to share their data, and 190 sugar mills (including group mills) are developing and testing their API modules.

3. Now, to provide opportunity to remaining sugar mills, the timelines for completion of APIs have been extended upto 31.01.2025. All sugar mills must comply with this timeline in both letter and spirit.

4. Keeping in view of the above, all sugar mills, especially those listed in the attached document, complete the development of their APIs by the stipulated timelines and provide the status of API development by **20th December 2024**. Non-compliant sugar mills may not receive their domestic sugar quota allocations from February 2025 onwards, in accordance with the provisions of the Sugar (Control) Order, 1966 and Section 3 of the Essential Commodities Act, 1955.

Yours faithfully,

Encls:- As above

11/12/24
